HELLO,

Thank you for your interest in the role of **Senior Technician - Lighting**

It's a great time to join the theatres, run as a charity by the Liverpool and Merseyside Theatres Trust. We're a local creative powerhouse with national and international impact, driven by a love for theatre, our city, and the belief that theatre can transform lives.

We believe our theatres can be a vital focus for the communities in the Liverpool City Region, telling stories which are compelling locally and nationally, supporting and attracting talent and contributing to Liverpool's reputation as one of the country's most vibrant cultural cities.

Across our theatres - one a 440-seat thrust, the other a 670-seat proscenium - there's an opportunity to produce and present the richest range of work for the widest audience.

In 2025 we look forward to an ambitious and dynamic programme of work across all of our performance spaces, as we do our best to be a place where everyone in Liverpool can feel safe, heard and included in asking big questions about the world we're living in. Underpinning our artistic approach is a commitment to supporting creatives and producers from diverse backgrounds to develop more work with commercial and tour potential; and thereby achieve longer and more sustainable careers in the arts.

DIVERSITY, EQUALITY & INCLUSION

We have established relationships in the communities of Merseyside, nurtured through an extensive and innovative outreach and education programme, and believe passionately that the creation, delivery and experience of the highest quality theatre must be open to all. We nurture and develop the artists and creative workforce for tomorrow through our award-winning Young Everyman Playhouse programme (YEP). YEP is much more than a youth theatre, it is a multi-disciplinary talent development programme. We want YEP members to progress to work in our theatres, on our stages and in the local theatre ecology, as well as influencing and making theatre nationally and internationally and bringing new ideas, work and practice back to Liverpool.

"I was blown away by the talent of the young actors and the writer. It's wonderful that the Everyman supports and encourages young talent."

Audience Feedback on *Tell Me How It Ends*

THIS IS NOT A CRIME (this is just a play...)
by YEP Actors 2023

"YEP is a place that had allowed me to create strong relationships with my peers and be part of a community that is compassionate towards one another. For these reasons being a part of YEP will help me improve my qualities not only as an actor but also as a person." Feedback from YEP Graduate

We are committed to diversity and equality and expect all staff to be active in promoting diversity and supporting people to experience our work and buildings. In 2020, we brought together a group of Trustees, staff and co-opted external members to form a [Diversity Action Group](#), considering the actions we could take as an organisation to

progress our commitment to diversity. We recognise that our workforce is not as representative as we would like it to be and are committed to real and positive change.

What does this mean in terms of recruitment?

It means that some of the things we will do are:

- recognise that lived experience can be as valuable as industry experience or qualifications.
- actively advertise and promote jobs to specific groups or organisations.
- try to find long term progression routes within the company and identify opportunities for people to learn about the jobs we have available
- make sure that the Theatres are a safe space for all employees, and that everyone receives the support they need

What we won't do is:

- Shortlist applicants based on any protected characteristic if we don't believe they could do the job
- Offer someone a role solely based on them having a particular protected characteristic, even though we feel they're not suitable for it, and in which they won't thrive.

Most recently we've been working with the Anthony Walker Foundation to ensure staff receive anti-racism training, and that there is accountability and collective understanding of what anti-racist actions we can take as individuals and collectively as an organisation.

With all this in mind, we particularly welcome applications from ethnically diverse and disabled applicants, and we are a Disability Confident Employer. We are also a strategic partner with PiPA (Parents and Carers in Performing Arts – www.pipacampaign.org), who campaign to enable and empower parents, carers and employers to achieve sustainable change in attitudes and practices in order to attract, support and retain a more diverse and flexible workforce. We are always happy to discuss solutions that allow people to balance their caring responsibilities with their working lives, and we look for equity of opportunity for anyone living with a protected characteristic that has adversely impacted their employment opportunities.
